

Western Victoria Bouncing Back from Dry Times

HOLD THE DATE - 1 October 2025

Join us in Hamilton on Wednesday 1st October for a free one day event that will equip farmers with practical strategies to boost productivity and profitability post-drought.

This conference offers actionable tools and knowledge to strengthen your farm's resilience and growth. Don't miss this opportunity to learn from leading voices in agriculture, network with fellow farmers, and discover innovative solutions to ensure your farm bounces back stronger. Secure your spot for this transformative event and take the first step toward a more productive and profitable future!

Hear from industry experts:

Strategies for
underperforming pastures
Lisa Miller - SFS

Livestock Market Insights
Angus Brown - Mecardo

Knowing your numbers,
benchmarking
*Sandy McEachern
(Aggregate Consulting)*

Strategies for bouncing
back from dry times
Nigel Kerin (Kerin Ag)
